

## CERTIFICATE OF ORIGINALITY AND TRANSFER OF COPYRIGHT

Name of the manuscript.....

All authors accept responsibility for the manuscript sent to "Cuadernos de Bioética", that is, they certify the originality of the submitted manuscript. That it has not been previously published or that it is being revised for publication by another journal. Also that all the authors have participated substantially in the same and they accept the order that they have in the authorship of the same one. The rights of the article, if published, will be fully transferred to "Cuadernos de Bioética". In return the authors will receive 15 copies of their article in the direction of the paper. For publication in another journal, book or on the internet, they must request permission to "Cuadernos de Bioética". This certificate must be signed by the principal author on behalf of himself and the other authors if any, accepting the conditions set out above.

Date and signature

Send to : Luis Miguel Pastor García. Departamento de Biología Celular e Histología. Facultad de Medicina. Universidad de Murcia. 30100. Espinardo. Murcia. España.
